WHAT IS RELAY FOR LIFE?

Relay for Life is an overnight community event that celebrates cancer survivors, remembers those lost and rallies everyone to fight back so we can bring forward the day when all cancers are cured. In the lead up to Relay teams get together and raise as much money as they can. Relay is fun for ALL the family and EVERYONE is welcome.

The Relay itself is the celebration of everyone's fundraising efforts. Teams set up camp and take it in turns to walk round the track for the 24 hour duration of the event. Plenty of food, entertainment and activities bring this neighbourhood party to life!

RELAY FOR LIFE AYLESBURY TURNS THE TOWN PURPLE!

Relay for Life Aylesbury 2016 will once again be turning the town purple on Friday June 24th 2016, raising money for Cancer Research UK – and raising awareness of the disease which affects one in three people.

Schools and businesses can sign up for Purple Friday, wearing purple clothes and wigs, and donating cash for the privilege!

Relay for Life Aylesbury takes place for 24 hours from 12 noon on July 2nd 2016 at Aylesbury Rugby Club. Teams have to keep at least one team member on the walking track throughout the event, day and night.

Now in its 8^h year, Relay for Life Aylesbury raised a staggering £108,538.46 for Cancer Research UK in 2015 through the amazing efforts of 28 teams.

All money raised helps to support Cancer Research UK whose ambition is that three in four people will survive their cancer in the next 20 years.

“Relay honours those who have lost their lives to cancer, celebrates the lives of survivors, raises money to help fund ground-breaking cancer research and, most importantly, is fun,” said Paula Kirby, Relay for Life Chair. “Purple Friday is another way we can support Cancer Research UK and the amazing work it does.”

For more information about Purple Friday and how to take part please contact relaypaulak@hotmail.com or rita-relay@hotmail.com or see www.relayforlifeaylesbury.org.
