WHAT IS RELAY FOR LIFE?

Relay for Life is an overnight community event that celebrates cancer survivors, remembers those lost and rallies everyone to fight back so we can bring forward the day when all cancers are cured. In the lead up to Relay teams get together and raise as much money as they can.

Relay is fun for ALL the family and EVERYONE is welcome.

CELEBRATE.

REMEMBER.

FIGHT BACK.

The Relay itself is the celebration of everyone's fundraising efforts. Teams set up camp and take it in turns to walk round the track for the 24 hour duration of the event. Plenty of food, entertainment and activities bring this neighbourhood party to life!

Relay For Life is organised by volunteers from a Relay For Life Committee on behalf of Cancer Research UK. Cancer Research UK is a registered charity in England and Wales (1089464), Scotland (SC041666) and the Isle of Man (1103). A company limited by guarantee.
