Ways to pay in cash:

- Use the free coin counting machine at the bank which will produce a receipt at the end. Take the receipt to the counter and pay in (with any notes you have) using the above account number.
- Take your bagged coins & notes direct to the counter and pay in using the above account number.

This is an example of the receipt you will receive from the cashier.

Please write your team name at the top (and fundraising event at the bottom if you wish) and follow the instructions on the 'adding offline donations to your page' document so we can credit the money to your team.
